FOURTH SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicant respectfully submits this Fourth Supplemental Information Disclosure Statement citing two references. One of the references is the Chinese Patent No. ZL89213334.1 ("Qiang '334") which is described in the present application, in the corrected paragraph on page 2 in the accompanying Response and Amendment. The other reference (EP 0 791 746 A1) corresponds to China Patent No. ZL94113646.9, also referred to in the present application and by the Examiner in the present Office Action. The EP '746 patent is enclosed because it is in English.

It is believed that a surcharge of \$180 for submission of a Supplemental Information Disclosure Statement under 37 CFR 1.17(p) is due, which is being paid with a credit card via the USPTO Electronic Filing System. If any additional fee is deemed due, consider this as an authorization to charge Deposit Account 23-3000.

Respectfully submitted,
WOOD, HERRON & EVANS, L.L.P.
